From 1948 to December 1952, CAHECTIC 4 was a KUBARK penetration of the East Berlin Vopo. Since January 1953, he has been security officer of CAHECTIC, and as such has been continually involved in CANT aspects of the CAHECTIC operation.

In the event of an emergency, it is hoped to be able to evacuate CAHECTIC, together with his family. He would have little or no ability to avoid arrest if he remained behind.
